

Code of Conduct

I, _____ am participating in the _____, 2009 Study Abroad Program with CRCC. As a participant I agree to abide by the following rules and guidelines set by both CRCC directors and the supervising teacher.

Participants are strongly urged to comply with all laws of the host country. CRCC discourages employment by participants during the program, unless proper legal documentation is obtained. Political activities or use of illegal drugs may subject you to significant civil or criminal penalties. If, however, you are determined to engage in such conduct while abroad, you do assume any and all risk and responsibility to attend to the matter at you own expense.

I will not at any time other than in the case of true emergency speak English, even if I am among other English Speakers. Throughout the duration of the program there will be no dating of any sort. My host mother will be aware at all time of my plans, if I am going to the movies or any other activity she will know.

In the event of a violation of any CRCC policy, disciplinary actions may take a variety of forms and can be issued in any combination depending on the violation in question. CRCC, at its sole discretion, will determine what action, if any, to take for violation of the policy. Participants will be notified in writing, as soon as practicable, of CRCC's decision. In case of serious misconduct or for the sake of safety, the CRCC Resident Director has sole discretion and authority to immediately dismiss any participant from their residence and/or the program. You will not receive a refund or credit for missed activities or events as a result of any disciplinary action.

I will not receive a refund or credit for missed activities or events as a result of any disciplinary action. If my program is terminated as a result of disciplinary action it will be at my expense or my legal guardian's to pay for tickets home.

I have read and have understood the above rules and guidelines. By signing the following I acknowledge responsibility for any and all changes CRCC must make as a result of my breaking this contract including but not limited to the termination of my program without refund.
